

Do you have DRY EYES?

- ✓ Do your eyes feel gritty or sandy?
- ✓ Do your eyes get blurry when trying to read or watch TV?
- ✓ Are your eyes sensitive to light?
- ✓ Do your eyes get uncomfortable in windy or dry places?

If so, you could take part in a clinical research study. You may qualify if you are at least 18 years of age and:

- Have a history of dry eyes
- Have not had refractive eye surgery (LASIK or PRK) in the last 12 months
- Have not had punctal plugs or cauterization (permanent closure of tear ducts) in the last 60 days

Your participation may last up to 3 months and include 4 visits. Study-related medication and exams will be provided at no cost to you. You may be compensated for your time and travel expenses.
